Volunteer Credit Program

Each player registered with KC North, will be required to complete volunteer commitments, based on the division of hockey they are enrolled in.

KC North is a non-profit organization run by volunteers. **Bingos and Casinos help to pay for all the practice ice that we allocate for our U7-U13 players.** The majority of our registration fees go toward insurance, Hockey Edmonton fees, KC fees, Hockey Alberta fees and game ice.

You have the option of either giving your credit card information to be held on file or giving cheques per player, in order to finalize the registration.

Volunteer commitments should be signed up for by September 31. Once the volunteer commitments have been fulfilled, the deposit cheque will be shredded or the credit card information deleted. If the commitments have not been fulfilled, we will process the cheque or charge the credit card. If your credit card fails to process or cheque bounces your child will be held from the ice until fees are rectified.

Families can earn volunteer credits in the following ways:

KC North Board Members are expected to attend monthly board meetings, in addition to fulfilling their volunteer role throughout the season.

Coaches and Managers are expected to be at practices, games and team events.
Committee members are members that fill various committees that help the board. There may be opportunities for various committees, disciplines, tournament planning etc..
There is also the expectation that all team members volunteer in some aspect for the team, whether it be a lead role or for our yearly tournaments.

Please note that part of being a member of **Hockey Edmonton** means there will be additional volunteer requirements throughout the season that KC North will be expected to fulfill. This will include sending volunteers to the U7 Jamborees and Minor Hockey Week. **These will not be for credits.**
